LED light box small	2 SMALL LED LIGHT BOXES THE LEFT-RIGHT TO FIX ON THE BASE
Led Light	3 SEPARATE BOX CONNECTED TO EACH SOLAR PANELS
Network Broadcast	OPTIONAL
Smart Voice	OPTIONAL
Bin Compactor	NO
Disinfection	NO

BATTERY NOTICE
The controller works well above-40C. while the working efficiency of battery is getting less and less under 0C, when -10C it already doesn't work. Yet after the temperate rises back to over 0C, it will work again. Therefore, in very cold winter the chargers on bench don't work. In good sunshine, the battery is fully charged in about 7-8 hours.

A. Description and Function:

The Adlis Solar Mobile Charging Bus Shelter is perfect for short term mobile multi-taskers or a connection space for focused tasks. It charges 2 devices simultaneously and it works with all Apple, Android and other popular devices.

B. Intended Use:

This product is intended for outdoor use only. Please place it on a flat floor and away from any shade. If in the shade, the solar panel will not function effectively.

C. Package Content:

1pc Adlis Solar Bus Shelter

1pc Manual

1set Expansion Bolt

D. Security instructions

E. Connection and operation:

F. Care, Maintenance, Storage and Transport:

ATTENTION!

We recommend that a qualified person use it to assemble and disassemble the product to avoid any risk of product deterioration.

The product is self-service, that is, users do not need help to charge their device.

Read carefully and follow the safety instructions for care, maintenance, storage and transport.

We recommend using the original packaging for transportation to protect the product from dust and moisture.

- We are not responsible for damage to persons or property caused by improper installation or operation not described in this guide. Any alteration and / or modification of the product or its accessories immediately voids the warranty.

WARNING!

We recommend that a qualified person use it to assemble and disassemble the product to avoid any risk of product deterioration.

- We grant a conditional warranty of 2 year for this device from the purchase data.

- The warranty also does not cover accidental damage or vandalism caused to the product.

- The warranty also does not cover the charging cables. We have no control over how users treat cables once the product is installed on your premises; replacement cables can be purchased at an additional cost.

- We are not responsible for damage to persons or property caused by improper installation or operation not described in this guide. Any alteration and / or modification of the product or its accessories immediately voids the warranty.
